

Kent County Open Water Championships 2009

The Kent open water championship results were picked out of the race finish order of the South East Region championships. Before listing the Kent results it is worth congratulating our Kent swimmers for a spectacular result in the SER were in the ladies open 3 km event there were six Kent swimmers in the top seven. Danni Pryor from Dover Lifeguards won the event but unfortunately for her did not enter the Kent championship and therefore although she took the SER title did not take the Kent title.

Dan Seagrove-Castle took bronze in the SER Men's Open.

Kent championship results
