Issue No.3

June 2018

Welcome to our 3rd newsletter! It has been a while since our last!

On Sunday 20th May 2018 the first ever Kent County Masters Championships for Long Distance events took place.

- 99 swimmers participated
- 34 records were set (subject to ratification)
- 157 Event Best Performances for 2018 (subject to ratification)
- 84 medals awarded
- £40 raised for charity

On Sunday 24th June 2018 the 2nd day of the Kent County Masters Championships for the short distance events and relays took place at Medway Park. Read on for the highlights of the day.

Things to know about our records

- 1) We hold separate records for Long and Short Course pools
- 2) The County records are different from the County Championship records where they can only be beaten on the day of the championship- (EBP – Event Best Performances) - You can find this within the programme or using the link below.
 - a. Check EBPs from 2017
http://www.kentswimming.org/imgs/2017_championship_best_times526.pdf
 - b. These are awarded automatically – you do not need to apply for them.
- 3) County Records need to be claimed and within 28 days of your swim. You should do this after any Masters Gala except the County Championships. You can find the records & application form by following this link:

KENT V SUSSEX MASTERS CHALLENGE CUP

Thank you to all the swimmers who took part in the **2018 Kent v Sussex Masters Challenge Cup** on 3 March 2018 at The Tunbridge Wells Sports Centre.

Thank you also to all the swimmers that sent back completed feedback which is extremely helpful in planning the 2019 competition. The vast majority rated the competition very highly and considered the format of Kent v Sussex being based on a series of relay races, mixing ages and genders worked very well and was exciting and fun. Swimmers enjoyed meeting other swimmers from both Counties and found the competition to be friendly and welcoming. Everyone seems keen to swim again in the Kent v Sussex Challenge Cup next year – which will be even better !!

It has been decided, based on the feedback, to hold the **2019 Kent v Sussex Masters Challenge Cup** at the Tunbridge Wells Sports Centre on Saturday 30 March 2019 from 5.00pm to 8.00pm followed by drinks which will likely be in the local pub across the road.

If you would like to provide any feedback, or help in organising the competition next year, please do not hesitate to let us know at any time.

Finally, a very, very big thank you to everyone that took part and assisted with the competition, including all the officials, announcer, scorers and poolside helpers from Kent and Sussex and also to **Kent Team Manager, Mr Ted Valder**, from RTW Masters, and **Sussex Team Manager, Mrs Trixie Nisbet**, from Lewes SC, whose assistance was instrumental in the success of the competition.

We hope to make the **2019 Kent v Sussex Masters Challenge Cup** even better by including good seating, a good PA system and hopefully timing pads. Please keep Saturday 30 March 2019 in your diary and we look forward to seeing many of you again next year!!

One of our NEW masters, Amy Farthing of Sevenoaks SC, tells us why she enjoys masters swimming...

I have been in swimming for over 10 years. Naturally, I moved into masters swimming as soon as I turned 18. I was so excited to be part of this ever-growing aspect of swimming. I remember looking at the Kent Masters Website and twitter page and being intrigued by all the success the Kent swimmers have had. It's an amazing feeling finally being able to join in!

My first event as a masters swimmer was the Kent Masters Championships in June 2017. I have never been in such a good environment in swimming. It is so friendly but to say it wasn't competitive would be so wrong! I got to see and compete with old friends, no love lost there!

One of the best experiences I have come across is the Masters Inter-counties. The team spirit and confidence of the entire team is something I will never forget! Everyone cheering each other on regardless of age is something to behold!

Frank Rider Trophy Club Gala - Sunday 18th March 2018

On a very snowy March evening Erith & District Masters once again hosted their annual Frank Rider gala – aimed at encouraging new Masters to “have a go” in a relaxed and fun environment. This year we welcomed teams from Romford, Hackney, Saxon Crown and a Kent Barbarians select. In order to make the event as interesting and competitive as possible we had introduced a handicap system in 2017, based upon previous years points, and this year was no exception (apologies to Romford the reigning champions for the largest points handicap of course!). This year’s vintage was another blessed with plenty of exciting racing, some friendly poolside banter, and another super competitive yet fun competition. Commiserations to our friends from Saxon Crown who lead for most of the way before being pipped at the post by the Kent Barbarians team, so many congratulations to them! Most importantly it was great to see about 80 or so master swimmers enjoying themselves the majority of which joined us afterwards for a warming beer and plenty of pub grub which is always laid on by our ever so welcoming local pub, the Running Horses in Erith High Street. Any other clubs in Kent who would like to be involved, or if you would like to be part of the Kent Barbarians (newly crowned champions!!) you are of course more than welcome and so keep an eye out for details of the next event in March 2019. In the meantime any other details can be gained from Mark Russell at Erith Masters - wansuntroad@gmail.com

British Swimming Masters Decathlon is a true test of versatility over the course of the season.

Swimmers' performances from Masters Competitions throughout the year are assigned points and each English, Scottish and Welsh swimmer is awarded an overall tally based on their top point's scores from 10 of the 18 individual events. All swims from Masters Competitions in the British Swimming Masters Rankings database are automatically entered into the competition.

There is no entry fee or registration required.

There is no age group split in the Masters Decathlon; instead points are adjusted depending on age to ensure a fair comparison.

Prizes are on offer for the top individual swimmers as well as the top club

Please contact [ASA Masters Officer Sharon Lock](#) with any questions about the Decathlon.

For more details visit: <http://www.swimming.org/masters/british-swimming-masters-decathlon/>

T-30 Challenge is a unique and simple event which determines just one thing – who can swim the furthest in 30 minutes!

You don't have to be a member of the ASA to enter the T-30 Challenge – it's open to everyone living in Great Britain between 18 and 108 years old. You can compete in your local pool as an individual or as part of a team with your club mates, friends, family or colleagues.

You could become a national champion for 2018 or compare your achievement against other swimmers in your age group. Whether you're trying to beat your own PB, be the best in your county or even the country, it's the perfect event for setting yourself a quick-swim challenge.

Entry dates for the 2018 T-30 Challenge will be released later in the year. Everything you need to enter will be found below.

[Entry Pack](#) – the entry pack contains full entry information. Please download and read this if you are interested in entering the T-30 Challenge 2018.
